

General Hand – Casual Arrangement (+20 hours per week)

About Gypsy Liners

We are a young company, manufacturing wear products for the mining and bulk materials handling industry. We currently work with major mining producers in Western Australia and abroad.

Job Description

We are looking for an enthusiastic, practical, hands-on person. Your role will have a broad range of tasks ranging from assistance during manufacturing of components, delivery and drop offs, packaging, housekeeping, odd jobs, basic measurement and drawing of components. This role would suit a person looking to build experience in the mining and manufacturing sector.

Location

Your work will be between the office in Nedlands and workshop in Wangara 6065.

Requirements Experience/Qualifications

- Police Clearance Check
- C Class Drivers Certificate

Preferred Experience/Qualifications

- LF Licence.
- Experience with workshop equipment e.g. powered tools and hand tools.
- Experience with CAD software.
